

Right space or right place?

The future of retail real estate

A joint seminar between
the Society for Location Analysis &
the Society of Property Researchers

CBRE

As confidence returns to real estate, the industry faces a number of fundamental shifts that will shape its future. We have looked into the likely changes in the real estate landscape over the coming years and identified the key trends which, we believe, will have profound implications for real estate investment and development.

Real Estate 2020 Building the future
